

OUR COMMITMENT TO A SUSTAINABLE FUTURE

COGEN is proud to announce that we are a member of the United Nations Global Compact.

COGEN is committed to sustainability understood as the way we manage our activity, guaranteeing social well-being, care for the environment and economic growth. Being part of the United Nations Global Compact represents a further step towards developing our Sustainability Strategy.

As a member of the United Nations Global Compact, COGEN joins the international movement of sustainable companies whose aim is to encourage other companies and organizations to align their strategies and operations with the Ten Universal Principles about human rights, labour standards, environment, fight against corruption, and to promote and contribute to the achievement of the 17 Sustainable Development Goals (SDA).
